www.co.polk.or.us/fair

is dedicated to the idea of providing the general public and the local community with the space, buildings and equipment needed to engage in events that promote fun, learning and social activity -- especially where children can benefit.

The Polk County Fairgrounds & Event Center is more than a 4 day Fair. It is a year-round facility that benefits the community. It not only serves as a center for many shows and activities it also contributes to the local economy and brings in significant financial impact to Polk County businesses.

During the past fiscal year the fairgrounds has hosted 577 uses, with attendance for those uses exceeding 150,000 people. Of those uses, 300 were to the youth in our community for such activities as 4H and FFA programs, Dog obedience, Girl Scouts, Cub Scouts, Hunter safety and Tractor Safety. 26 of those events were fundraisers that raised \$211,000.00 that was reinvested back into Polk County

The Annual Fair is a celebration for the community to get together, slow down, spend time with their children, breathe and create memories that last a life time.
